## VIDEO CONFERENCES EXPLAINED

A Video Conference Coordinator will come to your church, school, or small group and provide a video presentation. They will work closely with the leadership to determine specific needs. After each presentation, resources will be available for sale to further equip attendees to defend their faith.

## WHO IS ANSWERS IN GENESIS?

Answers in Genesis stands on the authority of God's Word and offers resources to teach believers how to defend their faith and non-believers about God's love and plan for salvation. The purpose of the Video Conference by Answers in Genesis is to offer a low-cost alternative for presenting a life-changing apologetics seminar to smaller churches and groups.
