

DISMANTLING DANGEROUS DOCTRINE

Dear Friends,

What exciting times these are! While still dealing with the feedback and fallout from Ken Ham's (some-what controversial) tour, the Lord has opened remarkable opportunities for AiG ministry in mainland Europe. Over the next few months, we will be presenting the life-changing Creation/Gospel message in countries such as: Bulgaria, The Czech Republic, The Netherlands, Poland, Sweden, Switzerland, Austria and Germany. Phew!

Many in these countries are so desperate for the truth and authority of the Bible, especially those previously indoctrinated with atheistic 'scientific' communism. It's a 'bold step', but how can we refuse when we know we can make a difference to peoples' lives, like Mitzi S. who wrote:

'... I had many questions. I did not know how to research to find these answers. So instead, I thought I would hold on in faith, praying that one day God would answer my questions. AND HE HAS...through your ministry. I can't get enough of your publications and I have a burning desire to share it with others. Thank you for your love for the Lord Jesus and for all your hard work. There are many people who want the truth, and others who just need to hear it. I have been blessed by your ministry and believe I can now give words to why I believe what I believe.'

Please support us in prayer, particularly as we deal with the language barriers, different interpreters, travel and accommodation logistics. And can you imagine how wonderful it is for these folk to see AiG

materials in their own languages? Translation work is a very time-consuming and expensive exercise, but one that you can support financially, too.

In addition to mainland Europe, there is our ministry in the Republic of Ireland. I will be there, and in Ulster too, for over two weeks in October. (More details of these meetings and tours are on the Events page of www.AnswersInGenesis.org/events.)

Patrick C. told us about the difference Creation magazine made in his life:

'I wish to thank you for helping me to prove to my stubborn self that there certainly is a God. Your Creation magazine gave me the scientific and spiritual evidence I needed to firmly assure myself that my suspicions were true. At first I shunned the belief of my parents, but after living on my own for two years, with the aid of a copy of your magazine which I was given one day, I realised that I was the one who was wrong, and I asked for salvation. Several times I have used evidence I gained from your magazine to

stump [my friends] and cause them to question the evolutionary theory they were fed at school, hoping that I may convince them that they too need salvation. My burden for them is immense, and I will do anything with the help of God to show them the truth'.

Why should the devil have all the good technology?

Arming and equipping the church with such high-impact magazines and other materials is a major function of AiG's teaching/motivational ministry, which

EVOLUTION IS RELIGION

extensively uses visual aids such as overhead transparencies. Nowadays more and more churches are using data/video projectors for displaying songs and for teaching. Young people in particular are increasingly accustomed to quality, modern multi-visual presentations.

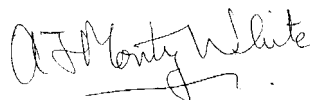

Data projection using PowerPoint software will enable our speakers to project full colour images, even animations and short video clips, from a laptop computer onto virtually any size screen. This will allow us to reach new heights in our ability to effectively communicate the Creation/Gospel message. We believe that 'only the best is good enough' for our wonderful Lord and Saviour. Your specially des-

igned contribution, even in a small way, will help us make yet another 'bold step' by enabling us to purchase the equipment necessary to change to PowerPoint.

Thank you for continuing to support the ongoing work of AiG.

God bless you.

Yours sincerely in Christ,

Dr Monty White
Chief Executive

MINISTRY CALENDAR: Please pray for us and invite others to these meetings.

Sat. 1 June, 7.00 pm and **Sun. 2 June** 10.45 am, Louth Evangelical Church, Monks Dykes Rd, **Louth, Lincolnshire**. *Dr Monty White*. Contact: Mr Chris Sharp on 0150 735 9147.

Open Day

Saturday, 7th September 10.30am to 4.00pm, will be an Open Day at our Leicester headquarters.

- Come and meet AiG staff.
- See where we work.
- Hear about our ministry.
- Share in what God is doing.
- Purchase books, videos and cassettes at discount prices.

We are planning a half-hour testimony time at 12 noon

and a thanksgiving service at 2.00pm, when Professor Andy McIntosh will speak to us.

Please make a note of this important date in your diary and make sure you join us.
